

Correction to the notes 21 and 22 of the 2012 consolidated financial statement

COGNOR S.A. (the "Issuer") corrects the editing errors that have been made in the notes 21 and 22 of the consolidated financial statement for the year 2012, published on 21 March 2013.

The note 21, should read that as of 31 December 2012 receivables at the amount of PLN 35 076 thousand were provided as collateral for bank loans and overdrafts while the note 22 should state that as of 31 December 2012 cash and cash equivalents were not pledged as security for liabilities.

Other information contained in the report remains unchanged.
