#### SPECIAL INSTRUCTIONS

\*\*\*\*Please note that a change in date or start time might result in a change of your dial-in number.

\*\*\*\*Please note that if a recording has not been requested before the start of the call a recording of the call will not be made.

\*\*\*\*Please note that for Local Connect dial-in numbers you must always dial the area code to enter the conference.

#### OVERBOOKING AND LATE CANCELLATION POLICIES

Please note charges may apply in the event of late cancellations or overbooking of lines.

#### PARTICIPANT GUIDELINES

Please ensure that The Chairperson and all other Speakers or Technicians state to the operator that they are hosting the call, have a speaking role or are connecting the mainline to the conference when dialling in.

We recommend that participants start dialling in 5-10 minutes prior to ensure a timely start to the conference.

Participants that require connection to your conference via an Operator will be requested to provide either the Conference ID or Password.

Should your participants not have the Conference ID or password they will need to provide 3 other pieces of information relating to the conference such as Title, Speaker, Conference Date/Time and or Company name. Please note that failure to supply the aforementioned information may result in participants not gaining access to the conference.

For calls with Q&A: Please press \*1 on your telephone keypad to register for a question and the hash or pound (#) key to withdraw a question during the Q&A session.

Please note that you can call for operator assistance at any time by pressing star (\*) followed by zero (0) on your telephone.
